

FALL 2026

September – December
PROGRAMS & ACTIVITIES

General Information

Hello Hamlin Rec Community!

As we enter the final months of 2026, we have several programs and community events to look forward to, including Scream Fest on October 10 and the Christmas Market on December 12.

We are also continuing to make improvements to our parks and facilities. As you may have seen, a new shade structure is being installed over a portion of the playground. New gymnastics mats have been purchased, and we are also working toward installing air conditioning in the Town Hall Gym to make the space better for year round use.

This year has included a successful Summer Camp, Summer Sports season, and Farm Fest, along with many other programs and activities throughout the year.

Thank you to our staff, volunteers, sponsors, and community members who have supported Hamlin Recreation this year. We appreciate everyone who participates in and helps make these programs and events possible.

We look forward to finishing out the year with you!
