General Information

Hello Hamlin Rec Community!

Summer is here and we are excited for the start of our Event and Summer Camp Season. Over the next few months we have plenty of opportunities for all ages to enjoy the park and come together as a community.

There are many programs starting soon including various camps, pickleball, and volleyball. If you are interested do not wait to register.

Our sports season is well underway and the kids have done an amazing job learning to work as a team.

With increased people in the park, please be careful while using the park road and playground. Remember that all dogs must be on a leash at all times.
